

(Space is limited: OKC-7 computers & Tulsa-12 computers)

Please check the lab training(s) you wish to attend. Note: you may check more than one lab training title. You will be contacted by Chuck Roberts via email as soon as he receives your registration form to confirm that you are in the training(s) for which you registered. He will also contact you via email on each Registration Deadline date to confirm your attendance. You will need to RSVP to this email to secure your seat in the training! **Due to the fact that the labs have limited space, we would appreciate if you only register for the labs you know you will be attending. If you would like to schedule a customized computer lab training for your school team, please contact Stefanie Olson at 918-660-3279 or [stefanie-olson@ouhsc.edu](mailto:stefanie-olson@ouhsc.edu).** All computer lab trainings are from 8:30 am – 3:30 pm with registration beginning at 8:15 am.

**\*Plan to bring a USB flash drive to take home all the great activities you will create!**

## 2011-2012 Computer Lab Schedule & Registration

Welcome back to the 2011-2012 school year. We hope you had a restful summer and you are ready for another great year. Below you will find a list of the computer lab trainings that OATC will be offering this year. We will be conducting the trainings at our OKC lab and our Tulsa lab. There are 7 computers in the OKC lab and 12 computers in the Tulsa lab. Acceptance of registrations will be on a first come/first serve basis. All of the OATC computer lab trainings are from 8:30 am – 3:30 pm with registration beginning at 8:15 am. We look forward to seeing you this school year. Come with your “thinking caps” on and let’s have some fun☺. **Please bring a USB flash drive/memory key with you to the training so you can take your activities home with you.**

Contact Stefanie Olson at (918) 660-3279 if you have any questions.

### **Boardmaker Version 6**

**Training Description:** Boardmaker is an incredibly flexible and powerful tool used to create and print symbol-based materials. This training is suitable for beginners and those of you who have mastered the basics. At this training you will learn how to make communication overlays from templates, visual schedules, adapted books with picture supports, song boards, worksheets and other curriculum supports using Boardmaker. We will also teach you how to import your favorite pictures or pictures from the internet. It sounds like a lot of stuff to learn in 1 day, but once you master the basic skills taught in the morning of this class, the sky’s the limit!

### **Boardmaker Plus**

**Training Description:** *\*\*PREREQUISITE: Must attend Boardmaker Version 6 prior to enrollment to this class!*

And you thought Boardmaker was great, wait till you see Boardmaker Plus. We will discuss the differences between Boardmaker, Boardmaker Plus and Speaking Dynamically Pro. You will learn how to use the special interactive features in Boardmaker Plus to create dynamic activities to enhance access to the curriculum and promote functional communication. Boardmaker Plus is an exciting way to enhance group instruction and encourage participation while using a classroom Smartboard. It also is excellent for creating individualized curriculum activities for your students.

### **Intro to IntelliTools Classroom Suite V.4**

**Training Description:** Come explore the **NEW IntelliTools Classroom Suite 4** by using pre-made activities, creating activities with the **new and improved easy to program activity templates**, downloading activities from the IntelliTools Activity Exchange, assigning work to students, and evaluating student progress. We will also cover the basics of IntelliKeys and Overlay Maker 3.

### **Beyond Basics: IntelliTools Classroom Suite V.4**

**Training Description:** *\*\* PREREQUISITE: Must attend Intro to Classroom Suite V.4 prior to enrollment to this class. If you have attended a 2-day ITCS training in the past and are unsure whether or not you should attend this class, call Stefanie Olson@ 918-660-3279. OK, you had tons of fun at the Intro training, are using pre-made activities and activity templates, and feel comfortable locating and downloading activities from the Activity Exchange. Are you ready for more?? Come on! We’ll teach you the secrets of “ctrl+click”, creating custom overlays in Overlay Maker 3, layering overlays, and more!*

## 2011-2012 Computer Lab Schedule & Registration

### Diving Deeper into IntelliTools Classroom Suite V.4

**Training Description:** \*\* PREREQUISITE: Must attend Intro to Classroom Suite V.4 & Beyond Basics: IntelliTools Classroom Suite V.4 prior to enrollment to this class. If you have attended a 2-day ITCS training in the past and are unsure whether or not you should attend this class, call Stefanie Olson@ 918-660-3279.\*\*\* Are you comfortable with the basics of programming activity templates? Do you know how to “ctrl+click” and make modifications to buttons and pages??? Do you have questions and ideas for creating/customizing your own activities? This may be the class for you. This class is designed to provide you with hands on support and guidance to develop your own activities and/or problem solve how to modify activities you download from the activity exchange. You set the agenda; we (try!!) to answer your burning questions. Wear your Smart Pants!

### Vizzle

**Training Description:** In this session, participants will be introduced and provided instruction on **Vizzle**®, a new, web-based visual learning program, designed for students with autism and those whose primary means for learning is visual. **Vizzle** was designed by a team at Children’s Hospital Boston/Harvard Medical School and researched with teachers over a four year period at the Monarch Center for Children with Autism. All participants will receive login credentials allowing for continued evaluation after the training. These evaluation licenses will vary in length from one to 12 months, depending on the role of the participant in their district. Details will be provided at the training.

### Tar Heel Reader

**Training Description:** Tar Heel Reader is a FREE online collection of easy-to-read, teacher and/or student created books on a wide range of topics. The books may be read online or downloaded as slide shows in PowerPoint, Impress, or Flash format. Each book can be speech enabled and accessed using multiple interfaces, including touch screens, the IntelliKeys with custom overlays, and one to three switches. But wait, there’s more! You may create your own student specific and highly motivating books using pictures from the huge collection at [Flickr](#) or pictures you take with your digital camera. This class will provide you with step by step instructions for accessing books on Tar Heel Reader and for composing your own masterpiece. Participants will gain knowledge about the internet based program, Tar Heel Reader as they publish their own books that are accessible for all students.

### OAAP Curriculum Development Open Lab

**Training Description:** Oklahoma Alternative Assessment Curriculum Development Lab

As we all know, developing activities for the Alternative Assessment Program (OAAP) can be very taxing!! OATC wants to ease that ‘taxing’ feeling by providing an opportunity for educators to take the adapted curricular materials we have developed and use our computers, printer and laminator to create activities to use with your students. We are offering open lab days every month to help provide activities aligned to the Performance Level Descriptors. We will provide basic instruction on how to access and modify the activities we have created. Participants will be able to pick up to four activities to print, laminate, and assemble. We also encourage you to bring YOUR activities and share them with US! Bring your flash drive so you can take home all the activities created by OATC as well as any activities created by other participants. Most of our activities are created in Boardmaker and it is highly recommended that you either have strong working knowledge of that program or have attended one of our Boardmaker computer labs.

\*There is a \$5.00 material fee for this lab payable at registration.

**Return to:** Chuck Roberts, OUHSC/OATC, 1600 N. Phillips, Oklahoma City, OK 73104

**New!** Email: [ocatreg@ouhsc.edu](mailto:ocatreg@ouhsc.edu) (Preferred), Phone: 1-405-271-8001; Ext. 47104, Fax (405) 271-1707

Please email Chuck to request an electronic form.

## 2011-2012 Computer Lab Schedule & Registration

The following trainings will be held in an Oklahoma Assistive Technology Center computer lab, but will be taught by persons not employed by OATC. To register for a "PRC AAC Device" or "Dynavox AAC Device" lab, please contact the respective representative indicated in the training description.

### PRC AAC Devices (Vanguard, Vantage, Pathfinder, Springboard, ECO-2)

**Training Description:** Prentke Romich Company (PRC) is a worldwide leader in the development and manufacture of augmentative communication devices, computer access products, and other assistive technology for people with severe disabilities. PRC serves the AAC community with a complete line of AAC devices: Vanguard, Vantage Lite, Springboard Lite and ECO-2. The PRC representative for Oklahoma, **Deanna Severson** will conduct these labs and they are open for anyone interested in learning more about PRC products, for those interested in obtaining a PRC device, and for device users and their family/caregivers, educators, SLP's and other interested persons. Please register with PRC online at: [www.prentrom.com/training](http://www.prentrom.com/training) and/or 800-262-1984 ext. 286

	<u>Tulsa</u>	<u>Oklahoma City</u>
<b>Location:</b>	OU, Schusterman Center in Tulsa 4502 E. 41 <sup>st</sup> . St. Room 2D02.	OATC 1600 N. Phillips
<b>Times:</b>	9:00 am to 12:00 pm.	9:00 am to 12:00 pm.
<b>Dates:</b>	September 7, October 5, November 2, January 11, February 8, March 7, April 4, May 2	September 6, October 4, November 1, January 10, February 7, March 6, April 3, May 1
<b>Register</b>	PRC online at: <a href="http://www.prentrom.com">www.prentrom.com</a> and/or 800-262-1984 ext. 286	
<b>Questions:</b>	Contact Deanna Severson at: Email: <a href="mailto:dlynn471@yahoo.com">dlynn471@yahoo.com</a> , <a href="mailto:dls.cons@prentrom.com">dls.cons@prentrom.com</a> , or Cell: (918) 766-3383	

### Dynavox AAC Devices (V, Vmax, M3, DynaWrite, and LightWriter)

**Training Description:** Dynavox Technologies is proud to be one of the world's largest manufacturers of speech-generating devices and communication software. Dynavox provides complete support; including helping their customers fund devices through school districts, Medicaid, Medicare or private insurance. The Dynavox representative for Oklahoma, Nuala **South**, will conduct these labs. The training labs are open for anyone interested in learning more about Dynavox Series 5 devices. Please register with Nuala South: Email: [Nuala.South@dynavoxtech.com](mailto:Nuala.South@dynavoxtech.com) or Cell: (405) 822-5799.

	<u>Tulsa</u>	<u>Oklahoma City</u>
<b>Location:</b>	OU, Schusterman Center in Tulsa 4502 E. 41 <sup>st</sup> . St. Room 2D02.	OATC 1600 N. Phillips
<b>Times:</b>	1:00 to 4:00 pm.	1:00 to 4:00 pm.
<b>Dates:</b>	August 17, September 21, November 16, January 18, February 15, April 18, May 16	August 18, September 15, November 17, January 19, February 16, April 19, May 17
<b>Register</b>	Contact Nuala South: Email: <a href="mailto:Nuala.South@dynavoxtech.com">Nuala.South@dynavoxtech.com</a> or Cell: (405) 822-5799	

**Return to:** Chuck Roberts, OUHSC/OATC, 1600 N. Phillips, Oklahoma City, OK 73104  
**New!** Email: [ocatreg@ouhsc.edu](mailto:ocatreg@ouhsc.edu) (Preferred), Phone: 1-405-271-8001; Ext. 47104, Fax (405) 271-1707  
 Please email Chuck to request an electronic form.

# 2011-2012 Computer Lab Schedule & Registration

## Inclement Weather Policy!

We cancel on the basis of latest weather information from the media. If your school district is closed, then you shouldn't come. If either of the two major school districts close (Oklahoma City Public Schools or Tulsa Public Schools), the training will be canceled at that location. Due to the unexpected nature of the weather, we may not have time prior to a training to contact you regarding weather related cancellations. Please check with Oklahoma City or Tulsa news organizations for up to date information regarding school closings and use that information to confirm whether or not we will conduct our training. If in doubt, please contact Chuck Roberts at [osdereg@ouhsc.edu](mailto:osdereg@ouhsc.edu).

## Directions & Maps

### OATC – OKC: 1600 N. Phillips, Oklahoma City, OK 73104, (405) 271-3625

Directions from I-44 East or West: Take the Lincoln Blvd. exit and go South. Curve West around the Capitol and continue southbound on Lincoln Blvd. Turn left (east) at NE 13<sup>th</sup> St. Continue on 13th until you come to Phillips Avenue. Turn left (north) on Phillips. Continue until you reach 15<sup>th</sup>.

Directions from I-40 East or West: Take I-40 to I-235 North and take exit 1D, Lincoln Blvd. heading north. OUHSC will be on the east side of Lincoln Blvd. Turn right (east) on NE 13<sup>th</sup> St. Continue until you come to Phillips Ave. Turn left (north) on Phillips and continue until you reach 15<sup>th</sup> St.

Directions for I-35 Northbound: Take I-35 North and merge left onto I-235. Take the Lincoln Blvd exit 1D and head north. Turn right (east) on NE 13<sup>th</sup> St. Continue until you come to Phillips Ave. Turn left (north) on Phillips and continue until you reach 15<sup>th</sup> St.

The Oklahoma Assistive Technology Center is located at the North-East corner of 15<sup>th</sup> St. & Phillips Ave.  
Park and immediately go inside and request an OATC parking permit that you will need to place on your dashboard.

\*Note: NE 15<sup>th</sup> and NE 16<sup>th</sup> are no longer through streets from Lincoln to Phillips.

**Return to:** Chuck Roberts, OUHSC/OATC, 1600 N. Phillips, Oklahoma City, OK 73104  
**New! Email:** [oaatc@ouhsc.edu](mailto:oaatc@ouhsc.edu) (Preferred), Phone: 1-405-271-8001; Ext. 47104, Fax (405) 271-1707  
Please email Chuck to request an electronic form.

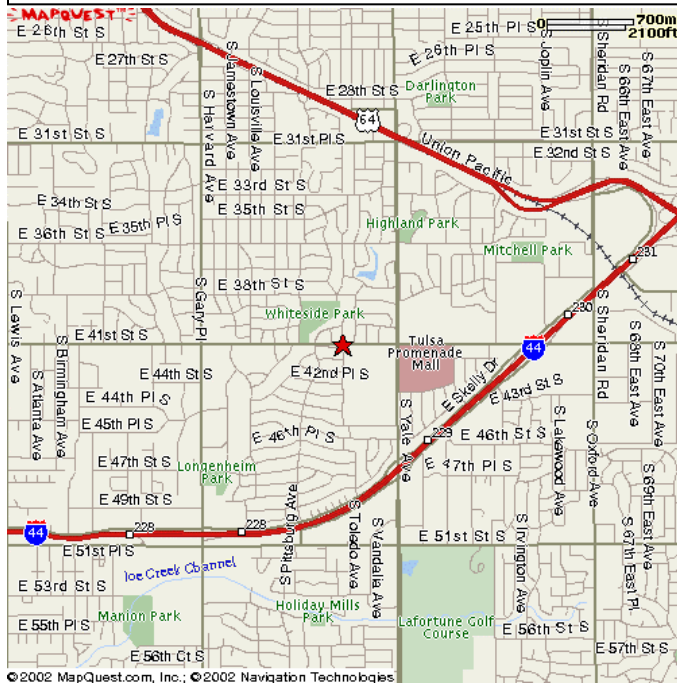

# 2011-2012 Computer Lab Schedule & Registration

## Directions & Maps

**OU-Schusterman Center: 4502 E. 41<sup>st</sup>. St, Room 2D02 Tulsa, OK 74135, (918) 660-3000**

**Driving Directions to the Schusterman Center:** If you are arriving from the I-44 (Skelly Turnpike), take the YALE Exit. If you are traveling West on I-44, Turn NORTH (right) onto Yale. If you are traveling East on I-44, turn NORTH (left) onto Yale.

- Follow Yale approximately one-quarter mile. The Schusterman Center is on your LEFT (the west side Yale). There are two entrances into the Center from Yale. The first entrance is at the southern edge of the property. The second entrance is at the stoplight by the McDonalds and mall.
- You can also enter the campus from 41st Street. To do so, continue north on Yale to 41st Street and turn LEFT (west) onto 41st Street. The 41st Street entrance to the Schusterman Center is near the west edge of the campus.
- If you are arriving from the west on the Broken Arrow Expressway, take the YALE exit. The eastbound Yale exit actually lets you onto 31st Street, so you will need to turn RIGHT (south) at Yale. The Schusterman Center will be on your right (the west side of Yale) one mile south of the BAE.

Park in the visitor parking lot on the north side of campus. Enter through the main doors on the north entrance. Walk through the main entryway, through the double doors and down the hall. When the hall opens up you have a choice to go left, right or straight. Go Left. 2D02 is the first room on your right.

**Return to:** Chuck Roberts, OUHSC/OATC, 1600 N. Phillips, Oklahoma City, OK 73104
