For Woodward Call: 580-256-6063 for directions to site only
For Poteau Call: 918-647-1200 for directions to site only
(Please refer to next page for Registration information)

Workshop Description:

This 2-day presentation will explore assistive technology that can be used for individuals with a variety of physical, cognitive and language abilities to find success with the Oklahoma state mandated portfolio assessment. **Participants must be Special Education teachers.** Participants will create low and high tech curriculum materials to take back to their classrooms that will enable them to assess their students for a successful portfolio. The participants will receive brief training on how to use Boardmaker to create and modify activities. Participants will also receive a Portfolio CD full of pre-made activities that can be used in their classrooms.

**There is a \$30 materials fee associated with this training.*

“Assistive Technology for a Successful Portfolio”

2 day Training
