Writing 5.1:

Edit and publish writings, drawings, or media to communicate complete ideas or sentences.

Description: Student would choose 1 of 3 topics to write about. Then they would choose 3 sentence endings. Once they have chosen the Beginning and ending sentences, they place them on the velcro pieces to write a short paragraph. After completing the sentences, they can edit their draft. They will hand in their final project once editing has taken place.

Instructions:

1. Glue first page inside the folder
2. Cut out pictures
3. Laminate folder and pictures.
4. Place hard Velcro on backs of pictures
5. Place soft Velcro on X's
6. Place 3 - 10" Velcro strips on inside folder, 3 - 10" Velcro strips on front of folder, and 3 - 10" strips on the back of the folder.
7. Place pictures by topic inside folder and on the front and back of folder to store them.

Items needed:

- 3 soft Velcro dots cut in half
- 30" soft Velcro strips cut in half
- 14 hard Velcro dots cut in half
- 1 folder
- Scissors, glue, lamination
