This activity is designed to allow students to demonstrate obtaining information and identify at least two sources.

Instructions:

Make sure Boardmaker is in Design mode (if needed, press CTRL + D or ESC to change to Design Mode).

Print pages 1-2 (**Note, this will print just fine in black and white!)

Cut each question out and laminate.

Velcro on inside of laminated folders so that students can take questions out one at a time during interview.

Questions can be recorded on a voice output device such as a Big Mack or handed to the interviewee if the student is non-verbal.
